## Palm Springs Writers Guild Expo

Palm Springs, CA: February 15<sup>th</sup>, 2020—the Palm Springs Writers Guild announces the 2020 Writers Expo focusing on **local** writers.

---

The Coachella Valley has a wealth of artists, business professionals, Hollywood stars and regular folks with incredible stories to tell. Many are members of the Palm Springs Writers Guild, and The Writers' Expo is one of the Guild's signature annual events to showcase their exciting works.

On Saturday, February 15, 2020 Palm Springs Writers Guild author-members will be signing and selling their books, and discussing the business of writing, and related topics like publishing and marketing.

There will be many genres represented—our writers span fiction, memoir, cooking, travel, business, “how to” and many others—lots of exciting books to choose from!

The Palm Springs Writers Guild encourages, develops and supports aspiring and established local talent. We aim to provide both inspirational and functional guidance through a variety of programs to all levels of writers, based in a philosophy of inclusion and respect for the diversity of our membership. Our success is measured in part by the accomplishments of our writer members and The Writers Expo provides an opportunity to share that success with the local community. The Rancho Mirage Public Library Foundation has (again) generously offered a gathering place for readers and writers to meet local authors in person. Everyone is welcome to come by and check it out! (See attachment A).

It promises to be a great day.

It's going to be a great year at the Guild!
